

MC 40/100

THE NEW MOBILE CLEANER

Well-ried technics for outstanding results!

The extreme tough construction of the **PLATZ**[®] high pressure pump, type P10 S, has an excellent reputation. Meanwhile over almost 40 years. No matter if floors, walls, machines, trucks or stables. With its nearly unbreakable structure and technics you can achieve perfect cleaning results, which is like no other.

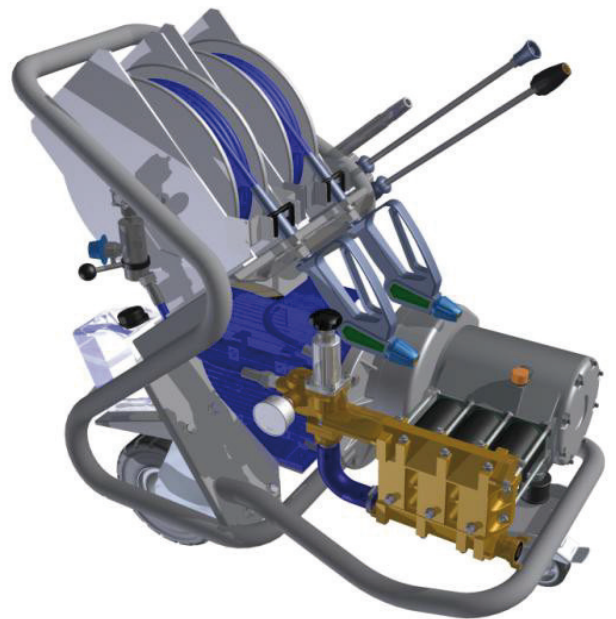

- massive pumphead made of brass
- low-speed pump 450 1/min
- plunger-Ø 30mm
- 100 bar with 40 l/min
- made in Germany

The mobile cleaner provides a perfect handling...

- extreme strong tubular frame
- easy movement
- wheels made of solid rubber
- automatic hose-recoiler
- injector for chemistry
- 7,5 kW drive with CEE-plug, 16A

... and convincing facts!

- 2-spray gun working at once
- spray lance for high pressure cleaning
- foam lance for chemical injector
- rotating nozzle lance for heavy cleaning
- quick coupling on all lances
- removable 2 liter chemistry can

THE DATA

materials

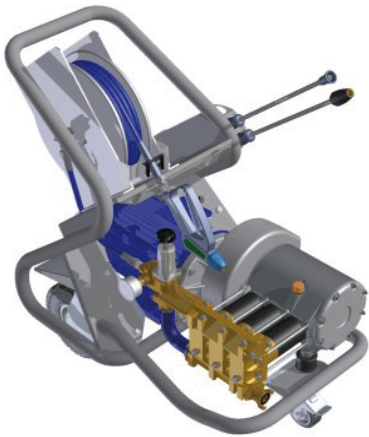

plunger	stainless steel, coated with oxyd-ceramic
pumphead	Ms58 (brass)
pump-casing	cast aluminum
seal	NBR

connection

water inlet	¾" internal thread
electricity	CEE-plug 16 A

technical data

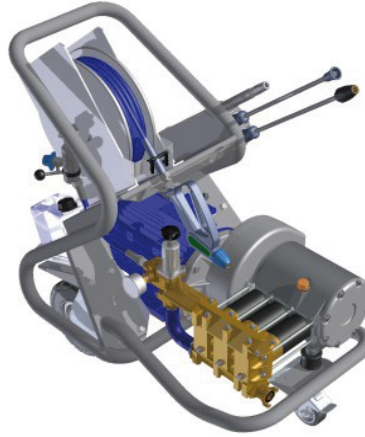

medium	water
working pressure	100 bar
flow rate	40 l/min – 2.400l/h
inlet temperature	max. 40°C
operating voltage	400V / 50Hz
power input	7,5kW
dimensions	1.100 x 700 x 960 mm
weight	ca. 195 kg (BASIC)

BASIC

- automatic hose recoiler with 14m hose
- spray gun
- spray lance 0,8 m
- rotating nozzle 0,8 m

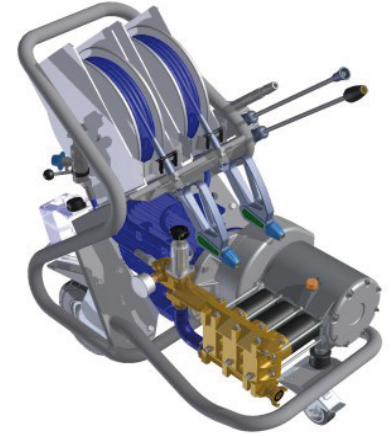

5.290,- €
ex works

ADVANCED

- automatic hose recoiler with 14m hose
- spray gun
- spray lance 0,8 m
- rotating nozzle 0,8 m
- foam lance
- chemical injector

5.790,- €
ex works

PROFESSIONAL

- 2x autom. hose recoiler each 14m hose
- 2x spray gun
- spray lance 0,8 m
- rotating lance 0,8 m
- foam lance
- chemical injector

6.490,- €
ex works
